

Clara Display Suite, South Yarra VIC

A display suite for the Clara housing development in South Yarra was designed to provide an early visual identity for prospective clients.

The display features the interior of a contemporary and elegant townhouse, opening onto a large private garden courtyard. The courtyard is filled with a grid of Pin Oaks, creating a continuous dappled canopy, through which a spectacular vertical garden can be seen extending the length of the site.

RCorporation's Clara South Yarra will comprise Townhouses, Villas and Apartments by Jackson Clements Burrows and Elenberg Fraser overlooking private courtyards, tree-lined streetscapes and a large new public parkland by Tract. The site is located at the corner of Clara and Palermo Streets, South Yarra.
